

ASSEMBLY BILL

No. 495

Introduced by Assembly Member Montanez

February 16, 2005

An act relating to water.

LEGISLATIVE COUNSEL'S DIGEST

AB 495, as introduced, Montanez. Waste discharge requirements.

Existing law, the Porter-Cologne Water Quality Control Act, establishes various civil and criminal penalties for certain waste discharge requirement violations.

This bill would declare legislative intent to enact legislation relating to the imposition of penalties for a failure to comply with waste discharge requirements.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation, in subsequent amendments, relating to the imposition
- 3 of penalties for a failure to comply with waste discharge
- 4 requirements.
